Active clinical practice in either Anaesthesia, Critical care or Pain Medicine.

Member of SEAUK in good standing.

Have a genuine enthusiasm for education and training

Practical experience in teaching and education.

Have knowledge of the requirements for postgraduate training and revalidation.

Able to attend the annual conference and the two annual Council meetings.

Willing to become actively involved in training and education.

Be prepared to contribute to the organisation and teaching in the SEAUK events.

Willing to represent SEAUK at additional meetings like Specialist Society meeting at Association of Anaesthetists.

Actively support the Society's activities.

Person Specification SEAUK Council Member (Non-Medical)

Non-Medical membership of the council is open to an individual with skills and expertise related to SEAUK activity.

Essential Criteria

Active in Medical Education in the UK in a recognised role.

Experience and expertise in Postgraduate Medical Education.

Enthusiasm for Education and Training.

Have a good knowledge of the requirements of Postgraduate training and revalidation.

Able to attend the annual conference and the two annual Council meetings

Willing to contribute to SEAUK activities.

Provide advice regarding meeting content.

Actively support the Society's activities.
